

Dear Sirs,

Our suggestions to easily get to the new Pagnoni Impianti facilities are:

- To take the Milan East Ring Road A51 (Tangenziale Est A51) and take the exit No. 23 (Carnate-Usmate Sud).

(map 1)

- As you exit the Ring Road, turn right into the county road 177 (Strada Provinciale 177) and follow towards Bernareggio.

When you get to the crossroad with Gramsci Street, ab. 4 km from the Ring Road exit, turn right.

Turn into the second street on the left and you'll be in the industrial zone of Aicurzio.

Turn again into the second street on the left and you'll get to the no. 26-28 of Strada per Cascina Restelli, the new address of the Pagnoni Impianti facilities.
